PAINT THE TOWN RED

Canada Day Celebrations

DEAR POTENTIAL SPONSOR,

HAPPY BIRTHDAY CANADA!

2024 marks the 21st anniversary of Paint the Town Red, Port Credit's Canada Day celebrations. Our humble beginnings began back in 2004 as a result of a passion for giving back to the community.

Paint the Town Red, the largest Canada Day celebrations in the city, starts preparing in the early morning for the GTA's only Canada Day parade. The Hazel McCallion Canada Day Parade is in memory of Mississauga's late remarkable former mayor. Celebrations continue throughout the day... no further changes to this part.

As a non-profit, community event, these festivities would not be made possible without the generous support of our sponsors, government and community funding partners and our dedicated volunteers, contributing to the success of Port Credit's Canada Day celebrations. Paint the Town Red is a labour of love. A free, family event, bringing the community together. A source of visitor retention, significant economic impact and a major contributor to the vibrancy that is Port Credit.

On behalf of the Volunteer Board of Directors, thank you for your continued interest, generosity, support and dedication to Port Credit's Canada Day celebrations.

Thanks for putting on such a great lineup of bands. Everyone was loving it! The VIP section was so well organized and looked so festive. The food was so yummy. The staff! So friendly. Such a great day. Happy to be part of it.

It was amazing to see people laughing, dancing and having a good time again. I'd personally like to thank the organizers of this event and congratulate them on a job well done! Way to go guys! Way to go Mississauga!

BRAVO!... On such an amazing, spectacular event! **THANK YOU for making our community a better place!** It wouldn't be the same without you, Johnny! *And thank you to the volunteers who made this happen.*
